### **Eligibility for \$100 Grant**

Those persons eligible to receive a \$100 grant for attending the conference must be a congregational rabbi or a teacher in a Jewish high school who teaches halacha, talmud, or ethics. The person must be able to answer the following questions at the end of the seminar. [The answers to these questions may be found in our educational pamphlet available from our office, on our website ([www.hods.org](http://www.hods.org)) and will be taught during the seminar.]

1. What are the 3 biblical prohibitions concerning a cadaver? What commandment overrides these 3 prohibitions?
2. Are Jews *halachichly* allowed to have an autopsy?
3. Does *Halacha* require a Jew to be buried with his/her organs in order to be resurrected from the dead?
4. What is *likut atzmaot* and when in Jewish history was it adopted?
5. What is the medical difference between brain-stem death and coma?
6. What are three medical tests that may be conducted to determine death of the brain-stem?
7. What are the two rabbinic sources that help shed light on the brain-stem death controversy? How are both sources interpreted to reject and accept brain-stem death as *halachic* death?
8. How many people are waiting for organs in Israel and in America and how many people die waiting every year?
9. What is the name of the Israel Transplant Organization?
