NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 1 - NATURE AND PURPOSE OF ORGANIZATION

The Halachic Organ Donor Society, Inc. (HOD Society) was founded in 2001, in New York State, as a not-for-profit organization. The mission of the HOD Society is to save lives by encouraging organ donation.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards (SFAS) No. 117, Financial Statements for Not-for-Profit Organizations. Under SFAS NO. 117, The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expense during the reporting period. Actual results could differ from those estimates.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or when purpose of the restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets.

Cash and Cash Equivalents

Cash and cash equivalents consist of bank accounts and all highly liquid investments purchased with an initial maturity of three months or less. Cash balances at December 31, 2019 consisted of various bank accounts that totaled \$180,761. The organization places its cash with financial institutions, balances of which may at times exceed the Federal Deposit Insurance Corporation insurance limit.
